

PINE CONE

'65

Dear Brucie Baby,
Well, your four long years in high school is about to come to a screechin' halt, if you know what I mean! And I'm so glad your making real good grades! HRR!

Seriously, your the best looking boy in White Pine as I've told you before, you even beat those guys in Powell! I also think your the sweetest person in the world, and as you already know, you'd have to be to put up with me for 5 long months. Gosh, I sure have a hard time expressing my feelings but I'm thankful that you are so understanding with me. I can't say all the things I would like to say to you on paper and I have a hard time telling you in person. You really mean a lot to me! I really mean it, I don't know what I would do without my sweet, understanding Brucie Baby. I know I've done a lot of things to hurt you and make you mad and I'm truly sorry for it! I guess a person doesn't realize a good thing when they see it. I've really been proud of your taking part in the study course and Church and I hope you will always go to Church even if I don't go with you. I know I'm not one to talk about that but I want you to always be happy and to live a good, happy life. - I know when you get married, just like you say, your wife will really be happy because you really know how to treat a person good. Your really wonderful Bruce, I mean the greatest! Now, don't go getting the big head-but I'm really not lying! I hope you can get something out of what I have tried to say and I think you will because you do a pretty good job of understanding me.

Remember always, October 9, 1964 - ??? ???
Forever I hope!

I'll never forget this Christmas, I sure enjoyed having you at my house and I hope you enjoyed being there! Mom, Dad, Gerald, Sue, and ^{Little} Dennis, all like you and I do too of course! Hey! I'm doing better than I thought I could!

PINE CONE

1965

I'll never forget you and I hope I never have to try because I sure do have a lot of wonderful memories! I hope you do too, and I hope you can forget all the bad memories. May God richly bless you and watch over you as long as you live!! Ha! Ha!

Thank you for everything you have given me, all the good times, the good advice, the presents and all the wonderful memories that I will cherish forever! Oh I forgot, and for making Well, White Pine such a Wonderful Place!

Bye!

a flower in a tree... Ha!

I love You,
Julia

Bruce,

It would take me a whole book for me
to write and tell you what a wonderful person
that you are. You will never know how much
your friendship has meant to me this past
year. I know that you will become a great
success in life if you will take the right roads.
I'm not much good at telling people what
I think of them, but I can tell you this
much. I like you very much and I hope that
we will always be friends. May God Bless you and
keep you safe no matter where you go or what you
do.

Dear Bruce,

As long as I have been living
in White Pine, I have known you.
I can remember some wild times
that we spent together, like last
Saturday night. I wish you the
best of luck and wishes in your
future. Because if you like me
you will need all of it you
can get.

a true friend always,

He went way out
going to school with
you this past year.
You're realising a
swingin' Daddies D.
like I'd
better
out.
